

## REMARKS

The Listing Of Claims is presented in response to the examiner's objection that the Listing submitted with the Amendment After Final Rejection did not list the status of claims 1-48 and 54.

It is respectfully requested that the Listing Of Claims submitted herein be substituted for that submitted with the Amendment After Final filed on or about February 4, 2004.

Submitted.

A handwritten signature in cursive script, appearing to read "Robert E. Strauss", written over the printed name.
